NTC Communication 2016/01 **Reduction in Juvenile pass mark for the season 2015/2016**

Dear all,

The NTC has considered a request to review the minimum pass mark for the Juvenile boys and girls sections to qualify to compete at the SA National Championships in May 2016. The Council has approved the following via a 2/3 majority as is required for a rule change.

The minimum required technical mark, (after fall deductions) is reduced from 7.5 to 7.0.

This is valid for the season 2015/2016 and will be backdated to the Gauteng Interprovincial championships held in September 2015. As per usual, required pass marks for all sections will be reviewed in June for the new season based on new requirements or rule changes approved at the ISU congress to be held in June 2016.

Kind Regards

Etienne Dreyer
