Dear All,

NTC Official Announcement 2012/01

1. Revision of Solo Pass marks for the SAFSA season 2011/2012

The SAFSA season 2011/2012 was the first time that only the technical mark was required by the skaters to pass their STAR tests and qualify for Nationals. The NTC had taken this decision to align with the ISU with the attempt to improve the technical level of our skaters. After due consideration and analysis of the CIP and GIP results, the NTC has decided to revise the pass marks for the season. These pass marks will be backdated to the 1st July 2011, and will be valid until 30 June 2012. Therefore, any tests done in this period, or technical scores attained at the CIP or GIP in 2011 can be submitted for ratification if the below scores were achieved. Please note that the International Selection Marks remain unchanged.
